Special Filming Conditions for Los Angeles County Beaches
MALIBU SURFRIDER

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- A City of Malibu permit is required in addition to the FilmL.A. permit.
- Filming may not interfere with lifeguard or maintenance activities at any time.
- Filming may not interfere with scheduled beach activities or special events.
- Filming may not block public or emergency access at any time.
- If use of maintenance or lifeguard personnel is required, it must be reflected on the permit and call times indicated. ***Lifeguards require 24 hour notice to be hired with a 4 hour minimum requirement. Maintenance also requires 24 hour notice to be hired.*** *A County Lifeguard is required for any filming that occurs on a beach or parking lot after hours (2200-0600 hrs). There is a 4 hour minimum and an additional 8 hours for all after hours filming.*
- No parking, blocking or staging in handicap spaces, meters, electric charging stations or Pay and Display machines
- Companies must make parking arrangements for parking in LA County parking lots through Parking Concepts, Inc (PCI) prior to first film date.
- **Lifeguard towers must be indicated on permit.**
- No animals allowed unless prior approval from Beaches & Harbors and FilmL.A. and indicated on permit. *All dogs must remain on leashes and off sand when not filming.*
- **NO DRIVING SCENES ALLOWED ON SAND**
- **Use of 4-wheel drive vehicles on the beach are approved for equipment transporting only. No joy riding on vehicles on the beach at any time. Vehicle speed is limited to 5 mph at all time.**
- Sign removal in LA County parking lots is prohibited.
- Digging holes less than five (5) feet deep must be approved by Beaches & Harbors and indicated on the permit. Holes deeper than five (5) feet will require Cal Osha approval (213) 576-7641 with written approval to Beaches & Harbors.
- No catering or craft services allowed on pedestrian walkways or bike path.
- Tent use must be indicated on permit. *No staking into parking lot. Sandbags must be used.*
- **For Automobile commercials: The filming allowed under this permit shall not include promotional material which implies endorsement by Department of Beaches & Harbors, nor can it depict identifiable Beach features or structures, which convey that implication.**
